ABRAHAM ASSOCIATES

MORTGAGES & FINANCIAL PLANNING

Our Mortgage & Insurance Proposition

About us

Abraham Associates is a friendly, family-run firm that has been providing expert personal financial advice and guidance for over 35 years.

Our high reputation and success have been earned by delivering transparent advice supported by exemplary customer service.

We think that being fairly small is a great advantage, because we get to know our clients well and treat them as individuals, rather than as names on a list.

Our key strengths...

We offer a compelling blend of solid, experience-based financial know-how combined with in-depth knowledge of the most suitable products for you. This helps us to provide practical and reliable recommendations tailored to suit your unique personal needs - now and in the future.

When you're ready to talk, we're here, ready to listen.

Mortgages

Whose products do we offer?

We can access a range of mortgages from over 50 of the UK’s best-known lenders (shown on the list I have given you), but not deals that are only available directly from lenders.

If you are purchasing a property with the help of a shared equity loan, our advice will also cover the shared equity second charge. However, we do not advise on any other second charge mortgages. If you need a second charge mortgage we will refer you to Enterprise Finance, a master broker for second charges, who will be able to advise you.

Which service will we provide you with?

We will advise and make a recommendation for you on a first charge mortgage after we have assessed your needs.

You may request an illustration from us for any regulated mortgage contract we are able to offer you whenever we provide you with information specific to the amount you want to borrow following assessment of your needs and circumstances.

Alternative finance options

If you are looking to increase borrowing secured on a property that you already have a mortgage on, the following alternative finance options may be available and may be more appropriate:

- A Further Advance from your existing lender
- A Second Charge
- An Unsecured Loan

Openwork does not offer advice on Unsecured Lending or Second Charges.

What will you have to pay us for our services?

A fee of a minimum of £500 or 1% of the loan will be payable only on application. Typically this will be £500. We do not charge for initial assessment. We will also receive commission from the lender.

If you'd like to know the range of commission payable from our lenders, please ask me for a list. You will receive an illustration when considering a particular mortgage, which will tell you about any fees relating to it. It is important that you read and understand the illustration.

Our refund policy for mortgage fees

If we charge you a fee and your mortgage does not go ahead, you will receive:

No refund, if you decide not to proceed with the purchase

Insurance

Whose products do we offer?

We can only offer products from a limited number of insurers for life assurance, critical illness cover, income protection, household insurance, accident, sickness and unemployment insurance and cash lump sum accident protection.

Please see the Insurance Proposition Summary leaflet for details of the insurers we offer insurance products from.

Which service will we provide you with?

We are an insurance intermediary representing you, not any insurer. We will provide you with a personal recommendation after we have assessed your needs, limited to the insurance products available to us, as shown in the Insurance Proposition Summary leaflet.

What will you have to pay us for our services?

We arrange the policy with the insurer on your behalf, you do not pay us a fee for doing this. We receive commission from the insurer which is a percentage of the total annual premium. This means that if you purchase one of these products we will receive commission in addition to any adviser charges / fees you may have been or will be paying Openwork for investment-related services. The amount of commission will be disclosed separately should you purchase one of these protection products.

You will receive a quotation which will tell you about any other fees relating to any particular insurance policy.
